MY SENIOR YEAR

My Senior Year will be the best

It will outdo all the rest

A time for laughter; A time for tears

A victory for a team yelled on by cheers

A time for study; A time for fun

Before my Senior Year is done

Time for a lover; Time for a friend

Wishing my Senior Year wouldn't end

Time to think what I'll be

Time to cherish as a memory

And when I'm older and reminisce

It's my Senior Year I know I'll miss.

I hope you have fun with the guys and decide to stay in school and go throw because man you've got the brains and I'd like to see you make something good of yourself. And I hope you do. You got a advantage over a lot of a dump head and I hope you take advantage of it too because I know you I would and prove to all those dumb heads that you can do it and I know you can. So do something about it. You a nice kid and I gladly can say I like you but to alot of people I can't. See yah around
